

Articulation Agreement

AAS Cybersecurity transfer to bachelor's degree

This Agreement is made between Black Hawk College (BHC) and St. Ambrose University (SAU), collectively the Parties, to set forth the terms and conditions of engaging in an educational program and to facilitate the transfer of students who earn, or enroll in courses leading to, an **Associate of Applied Science in Cybersecurity (AAS-Cyber) degree**. BHC and SAU jointly support the goal of students attaining an AAS-Cyber degree and a bachelor's degree through this Agreement. This Agreement does not prevent students from participating in additional programs established between the Parties to the extent the programs are applicable to Applied Science degrees such as dual admission, dual enrollment, guaranteed admission and reverse transfer programs. BHC and SAU will maintain the integrity of their separate admission and academic programs and enter into this Agreement as equal and cooperating partner institutions.

Purpose

This Agreement between BHC and SAU is intended to increase academic opportunity, minimize duplication of instruction and enhance career pathways by providing a seamless curriculum transition for BHC AAS students who transfer to SAU to earn a bachelor's degree.

This Agreement is designed for students who follow a prescribed plan of study leading to an Associate of Applied Science degree. As outlined in the Appendix to this Agreement, up to 64 BHC credits will be applied to the total credit hours required for the bachelor's degree. All other standard admission, curriculum and graduation requirements of the Parties must also be met.

Program Articulation

The Parties agree that any student who has earned the **AAS-Cyber** degree may transfer the credits from their program, as outlined in the attached Appendix, to SAU toward the

- **Bachelor of Arts in Cybersecurity**

This Agreement specifically allows the transfer of up to sixty-four (64) total credits including twenty-four (24) technical/vocational credits—A grade of “C” or better is required to award transfer credit. A minimum of 56 credits will be taken at SAU. Additional courses taken at BHC that fulfill SAU major and general education requirements do not need to be repeated at SAU.

SAU Admission and Graduation Requirements

For admission, students must submit all prior high school and college or university transcripts. Students must maintain a cumulative GPA, including prior college or university credits, of 2.0 or higher.

For graduation,

- All students must complete 6 additional semester hours of Philosophy and Theology at St. Ambrose, with at least one course in each area, one of which must be at the 300/400 level.
- All students must satisfy all non-distributional requirements after transfer, including: 30 hours of 300 level or above courses, GPA requirements, and the St. Ambrose Writing Intensive requirements (2 courses with at least one in the discipline). Students must earn a letter grade of C or better in required written and oral communication and math courses.
- The Health and Wellness outcome will be fulfilled by completing Kinesiology 149 - Wellness Concepts. This course may be completed at St. Ambrose University, transferred as a comparable course, or met through credit by examination.
- The second language requirement will be fulfilled as follows: complete three years of study of the same second language in high school or demonstrate competency through the second semester of a language

at the college level. The language requirement can be met by completing language courses at St. Ambrose University or at the community college if not met with high school course completion.

- The Diversity, Equity and Inclusion Requirement (DEI) will be fulfilled by completing two courses, although transfer students with 60 or more transfer credit hours will be required to complete only one DEI course. Transfer credits do not fulfill this requirement; courses are to be taken at SAU.

Student Data and Support

The Parties agree to track the progress and success of this Agreement by cooperatively determining data points that track the admission, retention and degree completion of students pursuing the programs under this Agreement, and report the agreed upon data to each other annually. The Parties will co-advise students in a manner that respects institutional requirements and practices and provides a supportive and unified transfer experience.

Marketing

Each Party grants to the other permission to use, display, reproduce, and publish, without compensation, each other's trademarks and other promotional and branding materials for the sole purpose of informing interested parties about this Agreement on websites, cobranded web portals, and in-print marketing publications, with such use conforming to the marketing standards each sets forth. Minimally, the Parties will provide access to this Agreement and Appendices, including any mutually approved modifications, and advising contacts on their respective public websites.

Each Party shall have the opportunity to review in advance any information included on, but not limited to, the aforementioned platforms. Each Party reserves the right to terminate, suspend, or reject the other's use or proposed use of that Party's intellectual property.

Implementation Oversight and Communication

The Parties reserve the right to revise or eliminate programs and courses. The Parties will communicate annually concerning curriculum changes that may affect the agreed upon program relationship. For purposes of administration and implementation of this Agreement and purposes of notice, the Parties' primary contacts are:

Accreditation

The Parties will ensure they maintain in good standing their respective accreditation by the Higher Learning Commission and ensure that all operations will be in keeping with the accreditation requirements of their own institution. Any change in accreditation status will be reported by the affected Party to the other Party within thirty (30) calendar day of the change.

Term / Modification / Renewal / Termination

This Agreement will be in effect immediately upon final signing, be reviewed annually by the Parties, and will remain in effect for a period of 3 years. This Agreement may be modified by mutual, written agreement of both Parties. This Agreement will automatically renew for 3-year terms unless either party notifies the other in writing by December 31 of the year preceding the last year of the Agreement of their intention for modification or nonrenewal.

Either Party may terminate this Agreement for convenience upon one hundred eighty (180) days prior written notice to the other Party. Further, either Party may terminate this Agreement immediately upon substantial breach by the other Party. In the event of termination, students whose admission to SAU has been accepted under this Agreement will be allowed to transfer to SAU according to the agreement terms in effect immediately prior to

termination, and students will then stay continuously enrolled in BHC and/or SAU and make satisfactory academic progress.

Non-Discrimination Statement/Equal Educational Opportunities for Black Hawk College

It is the policy of Black Hawk College not to discriminate in its programs, activities, or employment on the basis of race, color, national origin, sex, disability, age, sexual orientation, gender identity, creed, religion, and actual or potential family, parental or marital status, as required by the Illinois Human Rights Act, Title VII of the Civil Rights Act of 1964, the Equal Pay Act of 1973, Title IX of the Education Amendments Act of 1972, the Clery Act, and Violence Against Women Reauthorization Act of 2013, the Rehabilitation Act of 1973, and the American with Disabilities Act of 1990, and the ADA Amendments Act of 2008. Inquiries about this policy may be forwarded to careys@bhc.edu. Additional information may be found in the [Student Handbook](#).

Non-Discrimination Statement/Equal Educational Opportunities for St. Ambrose University

It is the policy of St. Ambrose University to provide equal opportunity in all terms and conditions of employment and education for all faculty, staff and students. The intent of this policy is to prohibit discrimination (including sexual harassment) and to promote the full realization of equal employment opportunity in all faculty, staff and student aspects of the University. The University will provide equal opportunities for all qualified individuals and will promote the full realization of equal opportunity through positive programs. This policy of equal employment opportunity applies to all individuals in every aspect of education, employment policy and practice. The University is an Equal Opportunity Employer and provides that employment, salaries and access to education are determined and maintained on a basis that does not discriminate against any employee or applicant for employment on the basis of age, color, physical or mental disability, national origin, race, religion, creed, sex, military or veteran status, sexual orientation, gender identity, pregnancy, or any other protected category under applicable local, state or federal law. The University reserves the right to impose qualifications based on religion if a bona fide occupational qualification is reasonably necessary for the operation of the University.

Compliance with Laws

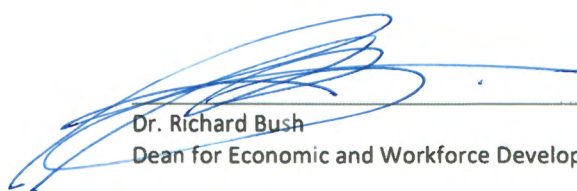

The Parties will comply with all applicable laws and regulations in performing their obligations hereunder.

Entire Agreement

This Agreement constitutes the entire agreement between the parties, and all prior discussions, agreements and understandings, whether verbal or in writing, are hereby merged into this Agreement.

CREDITS SUMMARY	Credits
I. & II. Black Hawk College	60 min. for AAS degree. Up to 64 receive SAU transfer credit.
III. St. Ambrose University	56 min.
Total Credits for BA degree	120 min.

As written, this plan includes 120 credits to complete the AAS and BA degrees. This plan assumes prior completion of SAU's second language requirement and the student is college-ready in writing, reading and mathematics.

Course articulations are based on the 2021-22 catalogs of both institutions.

Students taking a BHC course not listed above must seek approval from both institutions for course substitution toward degree requirements, or otherwise be subject to course-to-course transfer evaluation of the non-listed course.
