

Registration for Spring 2027

Please review your priority registration date listed below. Registration priority is determined by grade level (including current semester hours).

Before registering:

- Contact your academic advisor to schedule an advising appointment.
- Use the Student Planning Tool.
- Clear all restrictions/holds on your account

Important Notes:

- The university may cancel, reschedule, or change course meeting times.
- If a course is canceled, you must follow the add procedure to enroll in a replacement course/section.
- Minimum enrollment may be required for courses to be run.
- If you do not plan to attend classes next semester, submit the Decline Enrollment form before the term starts to cancel your classes and avoid associated charges.
