

# YOUR BEHAVIORAL NEUROPSYCHOLOGY CAREER STARTS HERE.

## ADVANCED OPPORTUNITIES

Our faculty bring their diverse experience in psychological research and clinical practice to the classroom. Because of this expertise, we offer unique courses, research experiences, and internships that go far beyond traditional undergraduate programs, helping you prepare for your career or graduate school.

## JOB GROWTH

8% for psychologists focusing on the neuropsychology field

*\*2020-2030 U.S. Bureau of Labor and Statistics*

## INCOME

\$80,000+ for psychologists focusing on the neuropsychology field

*\*2020-2030 U.S. Bureau of Labor and Statistics*

## ADAPTABLE

Because Behavioral Neuropsychology involves chemistry, biology, genetics, and environment, your opportunities are equally as broad! With such a multifaceted education, you can adapt your career to research, bioinformatics, neurotoxicology, conducting behavior evaluation, working with patients in a clinical setting.

## INTERNSHIPS & CLUBS

Our internships and field experience go beyond shadowing professionals. With more than 90 health and human services organizations in the Quad Cities, you have various placement options. Further, participate in impactful learning opportunities through our host of campus clubs and organizations.

## GO BEYOND

You can study in another country in a semester-long or short-term study abroad program (with a few offered during spring and winterim breaks). No matter the duration, these trips deepen your professional education while earning credit toward
