JOB GROWTH

14% for computer and math occupations

**2016-2026 U.S. Bureau of Labor and Statistics*

PROBLEM SOLVERS

Your diligence for efficiency, attention to detail, and persistence through challenges is rewarded and recognized at St. Ambrose.

JOB READY

Our engaged faculty actively bring their real-world experience to the classroom. They will guide you to ensure your educational experiences are relevant in today's job market, giving you a solid technological background and ethical business communication skills so that you are ready to work in all divisions of a company.

REAL-WORLD EXPERIENCE

Our internship program offers quality, experiential learning with workplace partners invested in your success. SAU students have worked side-by-side with network and technology experts at several regional and national corporations, including the National Security Administration, Google, Deere & Company, Arconic, and Genesis Health Systems.

CUTTING-EDGE

We know it is essential to remain at the forefront of technology and its rapid innovations. Our CIS Alumni Advisory Council strengthens our programs with successful, working IT professionals and industry leaders. Their job on the council is to offer input and feedback on our curriculum and advise on industry trends, ensuring your education is relevant and strong.
